

Product datasheet

proflo His-tag quick test

Short overview

Cat. No.	PRLFHIS
Quantity	25 Lateral flow tests

Product description

UniprotID	Q6W4X9 (Human)
Synonym	Mucin-6, MUC-6, Gastric mucin-6, MUC6
Storage	2-8°C
Intended use	Research use only
Reactivity	6-His

Background

Competitive immuno-chromatographic test for detection of histidine-tagged recombinant proteins in cell lysates or purified protein preparations.
